What words would you use to describe this image?

How is this picture different from real life?

What can you tell us about the person in this pic-

Pablo Picasso

Weeping Woman

1937

Key Vocabulary

Portrait-Cubism was a revolutionary new approach to representing reality , it brought different views of subjects together in the same picture, resulting in paintings that appear fragmented and abstracted.

Proportion- The Cubist style emphasized the flat, two-dimensional surface of the picture plane, rejecting the traditional techniques of perspective.

Form-the shape and structure of something.

Bright-

Cubism- a style of art that focuses on abstract structure, especially by displaying several aspects of the same object simultaneously and by fragmenting the form of depicted objects.
