Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ol style="list-style-type: none"> 1. Very good uptake of extra-curricular activities which are well recorded and analysed. All children across the school have access to the extra-curricular activities. 2. Good use of sports coach across the school, both for the development of the children and also the confidence of the staff in teaching PE. 3. Good pupil engagement in healthy lifestyles and well-being through using various new playground equipment and activities. 	<ul style="list-style-type: none"> • By the end of Year 6, the majority of our children are not confident swimmers with very few being able to swim 25m. We plan to introduce swimming across year 5, thus meeting the requirements of the national curriculum. Each class will swim for one half term. • Use the School Sport Partnership (SSP) and local leagues to continue to provide our children with a range of opportunities across various sports/activities. • Continued need for CPD for staff to ensure all remain confident with a range of sports and physical activities. • Continued need for pupil engagement in healthy lifestyles and well-being.

St Michael's VA Junior School - PE and Sport Premium Plan 2023-24

<p>Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p>	<p>We plan to use the UEA swimming pool for year 5. Each class swimming for one half term. This will therefore achieve the national curriculum requirement to 'provide swimming instruction <i>either</i> in key stage 1 or key stage 2'.</p>
